

# MANUFACTURER'S DECLARATION

Manufacturer:  
PB Swiss Tools GmbH  
P.O. Box 182  
CH-3457 Wasen/Bern  
Switzerland

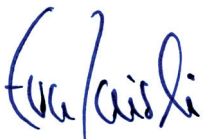

PB Swiss Tools herewith issues the following declaration for the product groups mentioned below, i.e.:

- **Screwdrivers**
- **Hexagon tools**
- **Striking tools**
- **Special tools**
- **PrecisionBits product range**

In respect of all products contained in the above-mentioned groups and produced and distributed by PB Swiss Tools, no guidelines by the European Community exist that must be fulfilled. Therefore, no checking of such products is possible on the basis of said guidelines by the European Community.

Each and any product groups mentioned above do, however, correspond to the RoHS and REACH requirements. Corresponding test reports are available where the requirements to be fulfilled are confirmed as having been fulfilled by external specialists ([www.reseachem.ch](http://www.reseachem.ch)) in a legally binding way.

The articles delivered, if used in accordance with the regulations, do not pose any hazard to the health of human being and fully correspond to the general quality and safety regulations.
